# Staff Biographies (Continued)

**Edward Hunter** (Light Designer) has been involved in theater in the Bay Area since moving here in 1985. He has designed sets or lights for: The Stanford Savoyards, Theaterworks, Menlo Players, WVLO, Lyric Theater, SDG and CMTSJ. For SCP he has designed lights for *Starmites*, *Godspell*, *Cinderella*, and *A Funny Thing Happened on the Way to the Forum*. By day, Ed is a Director of Software at Sun Microsystems.

**Charles Seegel** (Stage Manager) is excited to be returning for his 4th Jr production at SCP (3rd as Stage Manager). He has been very active with SCP for the past several years as Board Member, Stage Manager, Tech Crew, Set Designer and Set Building. He has greatly enjoyed watching the returning cast members grow over the years and to meet so many new and talented additions to the SCP family.

Watch for him onstage in the upcoming *Fiddler on the Roof*.

**Tuk Kistner** (Master Carpenter) began in theatre six years ago when his son tried out for his first play. Since then, working in the theatre has become a second career. Accomplishments include Master Carpenter for most of SCP's shows for the past three seasons and *Footloose*, *Jekyll and Hyde*, and *Joseph* for CMTSJ. Watch for him to appear onstage in the upcoming *Fiddler on the Roof*.

**Rachelle Butler** (Asst. Choreographer) started working with SCP when she was nine years old, playing Dagmar in *I Remember Mama*. Since then she has appeared in dozens of productions, her favorites including *Annie*, *Anything Goes*, and *Leader of the Pack*. She has danced competitively for over ten years and served as captain of her high school dance team. She recently graduated from BYU with a BS in Microbiology, and is excited to be working in theater again. She hopes to continue her studies with a Masters in Public Health.
